FIRST AID AND DISASTER KIT CHECKLIST

Facility: _____ Date: _____

Reviewed By: _____

This document is used to assist the child care facility in stocking First Aid and Disaster Kits with all of the items required by regulation.

Check box if found in first aid kit

Kit 1	Kit 2	Required Items
☐	☐	1. Disposable nonporous, non-latex gloves
☐	☐	2. Sealed packages of alcohol wipes or antiseptic for thermometer cleaning only
☐	☐	3. Scissors
☐	☐	4. Tweezers
☐	☐	5. Thermometer
☐	☐	6. Adhesive bandages
☐	☐	7. Bandage tape
☐	☐	8. Sterile gauze pads
☐	☐	9. Flexible roller gauze
☐	☐	10. Triangular bandages
☐	☐	11. Safety pins
☐	☐	12. Eye dressing
☐	☐	13. Note pad with a pen or pencil
☐	☐	14. Cold pack
☐	☐	15. Current American Academy of Pediatrics or American Red Cross standard first aid text or equivalent first aid guide
☐	☐	16. CPR barrier device or mask
☐	☐	17. Telephone number for the poison control center
☐	☐	18. Potable Water
☐	☐	19. Splints, including small child-size splints
☐	☐	20. Soap
☐	☐	21. Working flashlight
☐	☐	22. <i>Child Emergency Information</i> CC47 form and written permission for use of medication; only medication that is or may be needed for field trips and outings away from the facility for each child participating in the trip or outing.
☐	☐	23. Container that will hold all of the above items

Kit 2 is required for field trips or outings away from the Facility. One full Kit must remain in the facility at all times.

Remember: Restock each first aid kit after use and check regularly to ensure that any expiration date is not exceeded.

Note: If a child has special health need you may want to include additional supplies in your kit (example: Epi-pen, asthma inhalers, etc.)

CHILD CARE FACILITY

REQUIRED ITEMS FOR YOUR * ABBREVIATED FIRST AID KIT

Check box if found in abbreviated first aid kit

- ☐ 1. Disposable, nonporous, non-latex gloves
- ☐ 2. Tweezers
