IMPORTANT INFORMATION

Approved Relative Providers are approved to care for specific children who are related to them as listed on the *Approved Relative Provider Application* CC42. Child care services provided prior to the provider's approval effective start date will not be paid by the Child Care Assistance Program (CCAP). The family whose children you will be caring for must also be approved for CCAP participation and a *Child Care Assistance Authorization* document issued identifying the specific children to be cared for and the specific month(s). Care provided prior to the family's approval effective date will not be paid by the CCAP.

Provider approval effective dates are the first of the month following the receipt of: a complete application; valid criminal history checks for all individuals living in your home who are 16 years of age or older; completion of the Approved Relative Provider Orientation; and participation in an interview.

Payment to providers approved for program participation, for authorized child care services, will be made through Electronic Funds Transfer (EFT) otherwise known as direct deposit.

REQUIRED TRAINING

Prior to approval or within three months of approval for program participation, Approved Relative Providers must complete health and safety training on the following topics and provide a copy of their certificate:

1. Prevention and control of infectious diseases (including immunization);
2. Prevention of sudden infant death syndrome and the use of safe sleeping practices;
3. Administration of medication;
4. Prevention of and response to emergencies due to food and allergic reactions;
5. Building and physical premise safety, including the identification of and protection from hazards, bodies of water, and vehicular traffic;
6. Prevention of shaken baby syndrome, abusive head trauma and child maltreatment;
7. Emergency preparedness and response planning for emergencies resulting from a natural disaster; or a man-caused event (such as violence at a child care facility);
8. Handling and storage of hazardous materials and the appropriate disposal of bio-contaminants;
9. Appropriate precautions in transporting children;
10. Recognition and reporting of child abuse and neglect; and
11. Minimum health and safety training.

These trainings, with the exception of recognition and reporting of child abuse and neglect are available through Better Kid Care by selecting "Health and Safety Basic: Requirements for Certification" at:

<http://extension.psu.edu/youth/betterkidcare/early-care/ccdbg>. Training on recognition and reporting of child abuse and neglect is available through the Office of Children's Services at:
<http://dhss.alaska.gov/ocs/Pages/childrensjustice/mandatoryreporting.aspx>.

Upon approval for program participation, Approved Relative Providers must also complete 12 hours of professional development training annually. Professional development training must incorporate knowledge and application of Early Learning Development Guidelines; health and safety standards; and/or social-emotional behavior intervention models, which may include positive behavior intervention and support models. A copy of certificates or training transcripts must be provided to support hours of training completed.

Failure to complete the required training within the timeframes described may result in a provider's program participation ending.
